U.S. DISTRICT COURT  
DISTRICT OF DELAWARE

MOTION TO SERVE THREE INDIVIDUALS WITH SUBPOENAS

Introduction:

On September 9, 2004, Richard Y. Obeng (Plaintiff) filed a pro se action against the Delaware Police (County/State), and the Federal Bureau of Investigations (the "FBI") collectively, the "defendants". The defendants had since filed motions to dismiss the case I brought against them. The judge concurred with reasons spelt out in the motion to dismiss case.

I am filing a motion to reopen civil action No. 04-1248. During the case deliberations, I would like to serve three individuals with subpoenas. Thank you

Sincerely,

Richard Obeng
